Kriska Transportation Group Promotes David Tumber to Senior Vice President

Prescott, Ontario and Mississauga Ontario, March 2, 2018 – Kriska Transportation Group (KTG) is pleased to announce the promotion of David Tumber to Senior Vice President effective March 1, 2018.

Reporting to CEO Mark Seymour, David will provide support and guidance to the General Managers of the operating companies at KTG. He will oversee operations, commercial leadership, marketing, safety, logistics, fleet and warehousing.

“David has been responsible for our winning sales strategy and execution over the past several years” says Seymour, “his proven leadership continue to guide the growth of KTG operating companies.”

David joined Kriska Transportation Group (KTG) in 2015 as the Director of Commercial Development. Prior to joining KTG, David led the Canadian Truckload and Intermodal sales teams at Schneider National as the Commercial General Manager. He holds an Honors BA in Economics from McMaster University, an MBA from Wilfrid Laurier and has a CPA CMA designation.
